

# FSAE Memberships Expire Dec. 31\*

**Thank you for being a member of FSAE and making us an association unlike any other.**

**\*Unless you return this form to stay an active part of the FSAE family.**

**YOU** are the very heart of FSAE and the reason why we do what we do. Thank you for inspiring us and continuing to ignite our passion to serve you.

To help all members continue to navigate the uncertainty, here are some of the ways we are continuing to work for you:

- **Trusted Network of Peers** - Knowing that you are not alone in facing new challenges of hybrid and in-person events has made all the difference.
- **Premium Education** - Providing members educational programs that are accessible, affordable and customized is paramount.
- **Relevant Resources** to help you in your profession

FSAE is **your** professional association and we wouldn't be here without you. We value your commitment and look forward to your continued participation throughout this year and beyond.
